Dear Sir/Madam,

Re: PL/06580 - Parc Pencrug and Maes y Farchnad, Llandeilo

The Design Commission for Wales has been made aware that a planning application has been submitted for the development at Parc Pencrug and Maes y Farchnad in Llandeilo. The Design Commission previously commented on the scheme as part of the Pre-Application Consultation (PAC) process following contact from concerned members of the public, elected members of the local authority and the local town council. I attach our response to the PAC that raised significant concern regarding the proposed development and note that the scheme has not been amended in response to our comments.

Yours sincerely,

Carole-Anne Davies

Prif Weithredwr Chief Executive
